

Teen Volunteers at the Taylor Public Library

Summer Volunteers

The Taylor Public Library is looking for some good volunteers to help with the Summer Reading Program and all the summer events and activities. Volunteering is a great way to join in on the fun events, get an idea of what it's like to work in a library, and get to know the Library and Library staff better.

Who can volunteer?

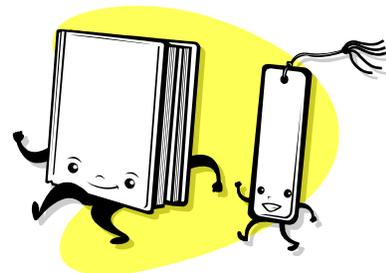

Teens must be at least 14 years old to volunteer at the Taylor Public Library. The Library does not accept court-appointed volunteers. The Library is under no obligation to accept all volunteer applicants. Volunteers will be selected on the basis of their application, interview and library needs. The Library requires a parent or guardian signature for every applicant under 18. Please set up your volunteer interview with Mrs. Sally Diaz and bring your completed form.

Please note that the Library cannot accommodate “drop-in” volunteers. Volunteering requires a schedule, supervision and preparation of assignments and may not fit in the Library’s schedule on any given day. Neither can the Library ever guarantee providing a certain number of hours to a volunteer—it just depends on the schedule and Library needs.

What do volunteers do?

The Taylor Public Library exists to serve area citizens and provide excellent customer service. Volunteers are expected to follow the same standards as Library staff. Duties assigned to a volunteer may include any of the following:

1. Filing library materials and shelf reading
2. Assisting with Summer program activities
3. Data entry in Excel
4. Assisting patrons locating materials
5. Dusting shelves and other cleaning
6. Assistance with computers
7. Other duties as assigned

Why volunteer?

At the end of the summer, a certificate recognizing your contribution to the community, with your name and number of volunteer hours completed, will be mailed to all volunteers. You may need volunteer hours for a school or church or club program. If you apply for a job in the future, you will want to make reference to any past volunteer work—most employers value volunteer work.
